

# 2014 HOLIDAY TEACHER TRIBUTES

**Celebrate the people in the Morris School District  
who make a difference in your child's life.**

This holiday season, the Morris Educational Foundation's Teacher Tribute Program is the perfect way to honor teachers and staff members with a meaningful gift. You can acknowledge administrators, counselors, assistants, coaches, custodians, librarians, nurses, conductors, bus drivers, secretaries, and, of course, teachers. All you need to do is make a donation in your honoree's name, and the MEF takes care of the rest. Each honoree receives a beautiful, personalized certificate that includes your personal message and best wishes for a happy holiday.

**It's easy to give!** Go online to make your tributes, or complete and mail this form and payment to the MEF.

**Online:** [www.morrisedfoundation.org](http://www.morrisedfoundation.org) and use your credit card.

**By mail:** MEF, 50 Early Street, Morristown, NJ 07960.

**Note:** Please do not send your donation to your school. Tributes received after Dec. 19 will be delivered in January.

Tax-deductible donations to the MEF will be used to fund educational grants throughout the Morris School District. These grants provide technology for our schools, take students to cultural events, host guest speakers and fund creative, exciting programs that would be impossible without the MEF's support.
